To whom it may concern,

Ken Clark was an employee of Publix Supermarkets in Palm Beach Gardens, FL from October 11, 2003 through October 8, 2004. He worked as a cashier and was an excellent employee. He provided excellent customer service. He was always on time for work and often stayed late and came in to help out on his days off in times of need. We were very sorry to see him go, however, he did not have a choice since his home was destroyed in the two hurricanes that struck south Florida (Frances and Jeanne). I was Ken's immediate supervisor and I would highly recommend him for any job in the service industry. He is friendly, intelligent, and he takes a lot of pride in everything he does. I would also like to add that Ken was our top selling cashier for two fund raisers which were March of Dimes and The Special Olympics. If I can be of any further assistance, feel free to call me at (561)627-5155.

Sincerely,

Tracy L. Gekas,
Common Area Manager
